

December 12, 1923.

The Secretary of State,
Madison, Wisconsin.

My dear Sir:

Will you kindly send us a copy of the form on which the present officers of a non-stock Wisconsin corporation should be listed and reported to you?

On the last Thursday of September annually the Directors of the Milwaukee Radio Amateurs' Club, Inc., are elected by the general membership. They in turn appoint the five General Officers. Therefore a copy of this form should be made available to us each year about October 1st.

It so happened that the Corporation was organized in March, 1923, officers were selected then, but they only served until this last October, and it is their names that were reported last.

Very truly yours,

L.B. HILLEGAS-SAID,

Business Manager
and
One of the Incorporators.
